

Jobs for Veterans Program

The Kansas Department of Commerce, with grant funding from the U.S. Department of Labor, Veterans Employment and Training Service, offers employment and training services to eligible veterans. For assistance, contact one of these local workforce centers and talk with the Local Veterans Employment Representative (LVER). The LVER is an employment specialist who has a large reservoir of information about jobs and education/training opportunities, veterans' rights and benefits, laws affecting veterans, employment trends and all services available through the workforce center. The LVER also has information about other services available through other agencies, including veterans' organizations. Disabled Veteran Outreach Program Specialists (DVOPs) are also available in some locations.
